Principal's Message

et me take this opportunity to welcome you all to the family of Government Aizawl West College. Amidst the sufferings that loom large over our society due to Covid-19 pandemic, we stand firm and still have achieved a lot in academic and other co-curricular activities. This was possible only because of the College fraternitystudents, teaching and non-teaching staffs who tirelessly burnt the midnight oil. Our College was graded B+ by NAAC in the last 2017 assessment, from there onwards we set sail a rough tide to accomplish our goals. Our top agenda was to see that the College emerges as one of the premiere colleges in Mizoram and India's North East. Approved by Government of Mizoram and Mizoram University we will soon have Post Graduate Course in the Department of History. I am also happy to share that we shall soon have a new Campus at Luangmual.

Apart from various infrastructural developments, we also focus on the teaching of language particularly English and Hindi. Modern Language Laboratory was set up so as to cater the needs of the students who face challenges in modern knowledge economy. Our College always believes in student centric approach, Counseling Centre with qualified Counselor, a Library, a Legal Aid Clinic, the NIELIT Computer Study Centre and Entrepreneurship Development Centre have been set up with the latest modern technology.

The College will promote both Academic and Research at all levels. To further foster interactions from prominent Academicians we will organize many academic proceedings in the near future collaborating with other Research Institutions.

We will strive to promote harmony, hard work, honesty and transparency as a bedrock of the College's work culture, the qualities that are embedded in our College Logo as well. I would also like to encourage all the students to set the difference between life goals and their aim in life. No matter what we may become, our life goals should be "Learning, Service and Excellence" in keeping with our Christian values.
